Comments: Hello Customer,

I'm Rev. Jackson, and I will like to know if you do carry Portable Air Conditions instock , as a matter of fact I will like to know the kind of styles and models you have instock and I will also like to know the price for each including sales tax. I also want to know if you do accept payment with either Mastercards or Visa and if there is any surcharge applicable.
Please let me hear back from you soon.

God Bless.

Regards,
Rev. Jackson
